

With shimmering views of the lagoon, pull up a chair at the Veli Pool Bar next to the water and enjoy a refreshing drink as you soak up the incredible views.

**Our planet needs
a little TLC—Tender Loving Care.**

Because we care about what matters, we challenged our chefs to create delicious feel-good vegetarian and plant-based dishes. We had a lot of fun testing recipes.

That's how Keen on Green came to be.

Even if you're not a vegetarian (yet), we hope that you are keen on trying the dishes labelled in green. But know that regardless of your choice, everything is made with love in kitchens that care.
